Crochet Tips

Body (make 2): Chain foundation row and work row 1 from bottom loop of chains. Crochet the yoke in pattern stitch A. Starting from the foundation row of the yoke, work pattern stitch B from yoke downward. In row 2, increase by working ch2 in shells instead of ch1 as for row 1. Continue with pattern stitch C, but work increases in the first row by adding more double crochet stitches. Starting from the second row, crochet without increasing or decreasing.

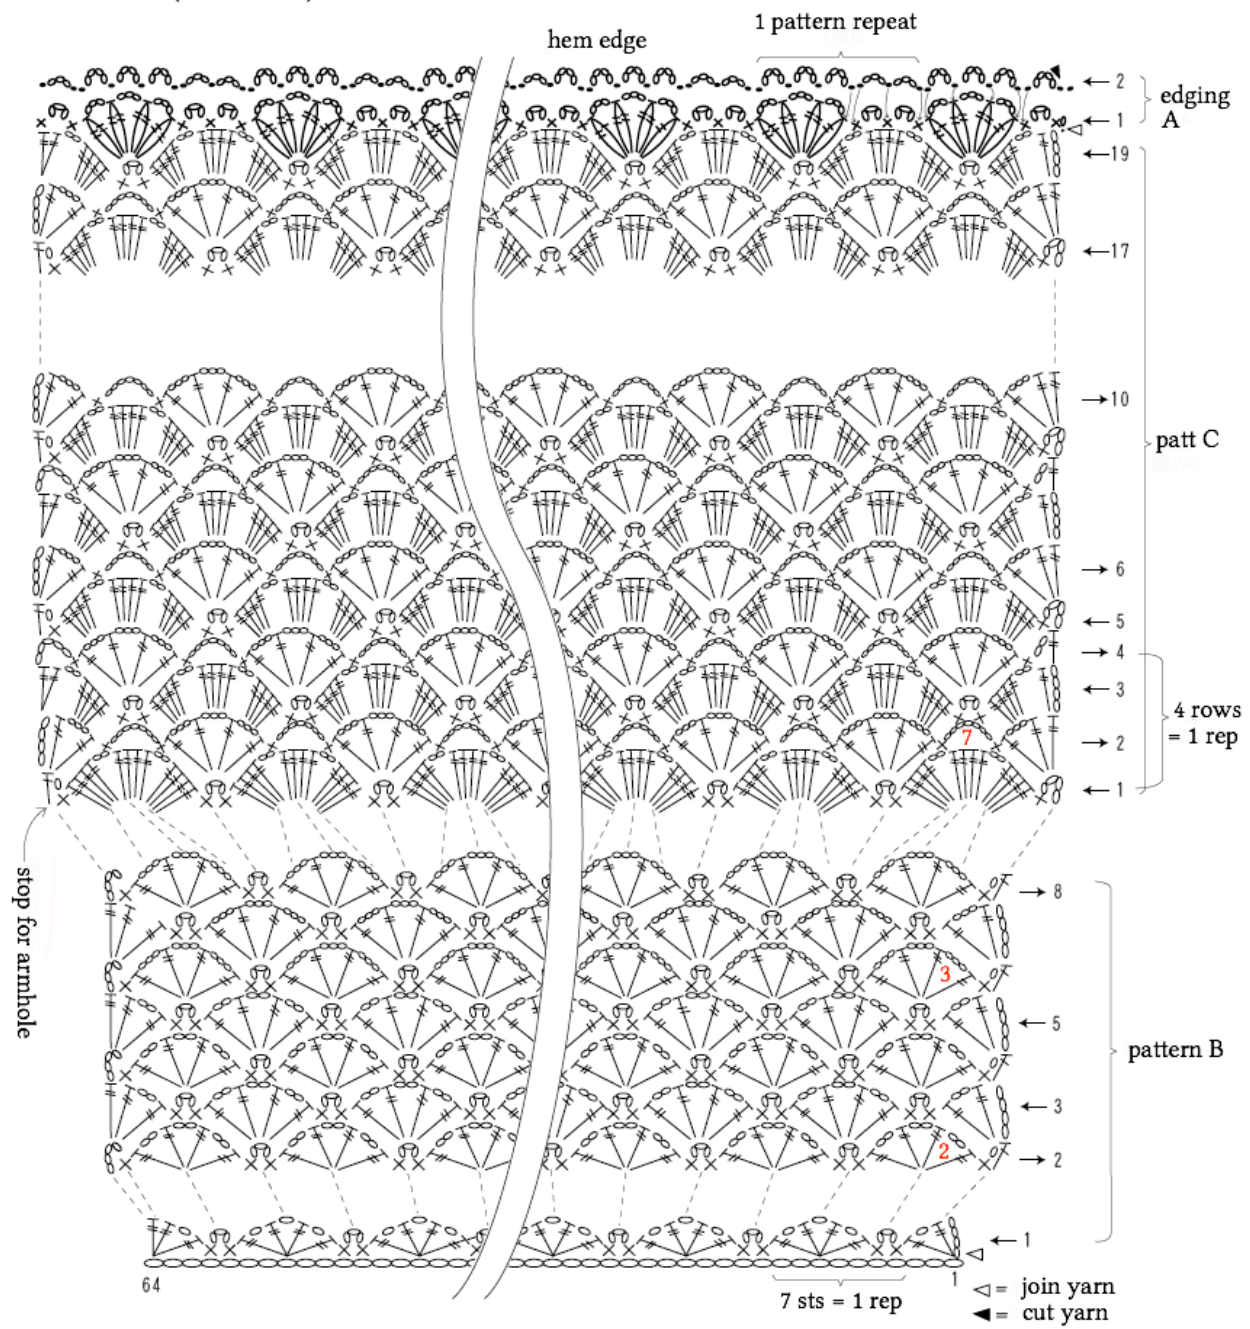

Finishing: Join sides until point marked “stop for armhole” with chain and slip stitch. (The unjoined part of the sides will form the armhole.) Work edging A around hem. Make two shoulder straps and join to body. Work edging B along armholes, shoulder straps, and collar.
