Knitting Tips

Front, back: Worked sideways. Cast on using long-tail cast-on method and knit sides/armholes in k2p2 ribbing according to chart. For the collar, work all decreases, twisted increases, and backward loop cast-on stitches one stitch in from the edge. Then work the ribbing on the other side. Bind off in pattern with wrong side facing. At hem, pick up 82 stitches and work k2p2 ribbing. Bind off in pattern with right side facing.

Finishing: Join shoulders with mattress stitch. Join sides with mattress stitch.
