Knitting Tips

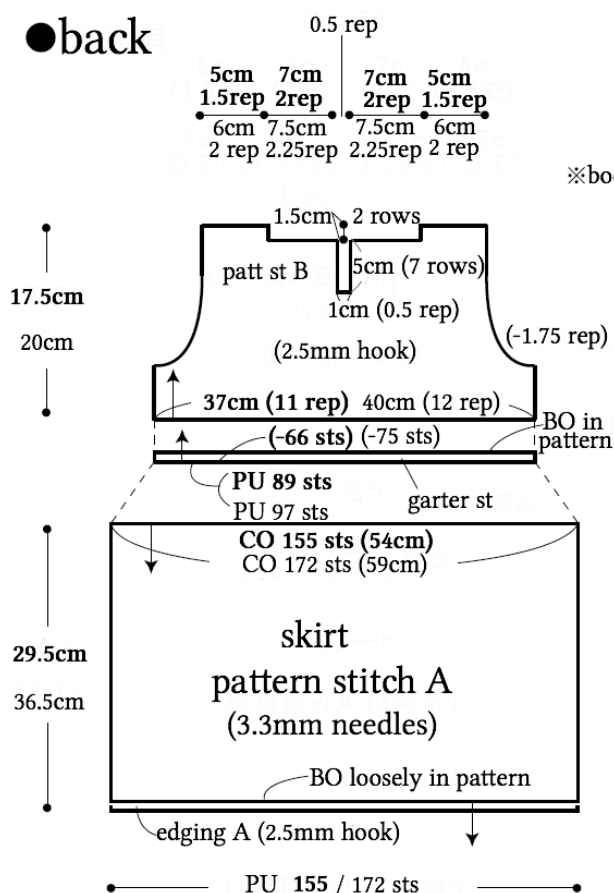

Body: Cast on with provisional cast-on and knit back of skirt in pattern stitch A (stripes). Bind off loosely in pattern. Repeat for front of skirt. Pick up stitches from provisional cast-on edge and knit two rows, decreasing as indicated. Bind off loosely in pattern. Crochet bodice in pattern stitch B upward from bound-off knitted edge. Repeat for front of garment.

Finishing: Seam sides of knitted skirt portion with mattress stitch. Seam crocheted underarm portion with slip stitch and single crochet (US) as follows: work 1 sc into any chain or sc, but sl st across sides of double crochet (US) or other long stitches. Use as many sl sts as necessary to have a firm but not puckered seam (for example, 3 sl st along the side of one dc). Join shoulders with same method. Crochet edging A around hem. Work 2 rows of single crochet (US) at back placket. Crochet edging B around neckline and armholes. Crochet button and button loop and attach to dress.

Abbreviations: CO = cast on; BO = bind off; PU = pick up; rep = repeat(s)
