- k3p1 ribbing (with 4.5mm needles): 17 sts and 21 rows

Finished measurements

- length (not incl. pom-pom) approx. 44cm/17.32"

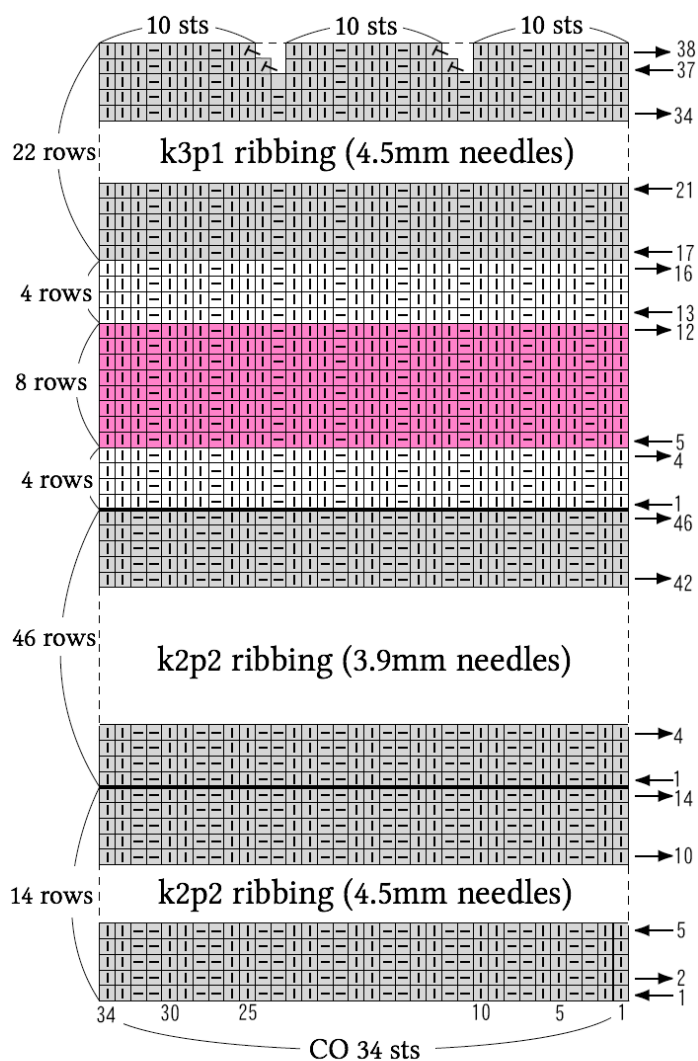

Knitting Tips

Cast on and knit 14 rows with 4.5mm needles in k2p2 ribbing according to schematics. Starting from row 15, change to 3.9mm needles and knit 46 more rows in k2p2 ribbing. Next, change to color #601 ivory and 4.5mm needles. Knit in k3p1 ribbing. *※Refer to schematics for color sequence.*

Bind off top and seam shut. Seam sides with mattress stitch. Make pom-pom with one skein each of #625 black and #38 red and a 20cm/7.87"-wide piece of cardboard. Attach to top of cover.

Because the mouth of the cover stretches quite easily, gauge is a little tight to compensate.

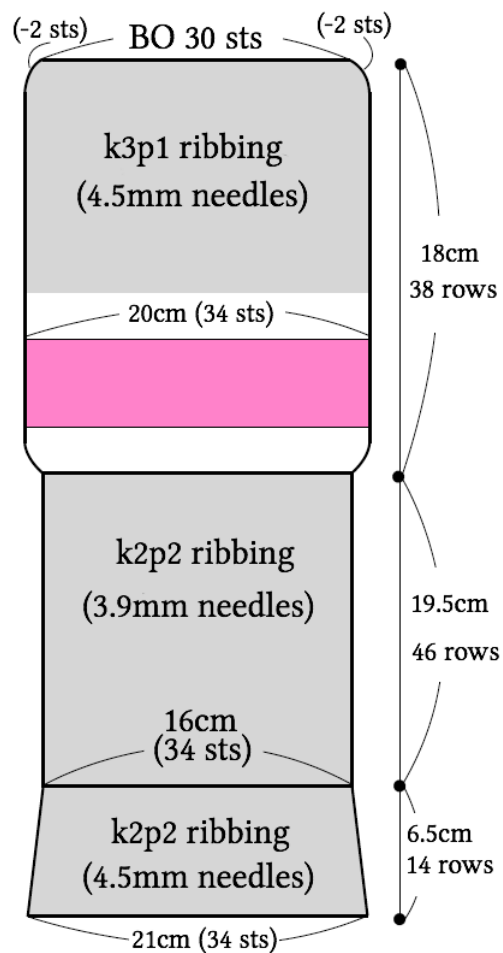

Note: materials listed are for making one club cover.
