Crochet Tips

Toilet paper cover: With color #86 (spring green), ch17 to cast on, then work in hdc. Starting from second row, change to color #82 (light cream) and work 16 rows. Work row 17 in color #86, and work edging in color #82. Attach motifs, and sew cotton and rubber tapes to wrong side.

Toilet paper holder: Start as for cover; work in hdc per schematics. Attach motifs and cotton tape.
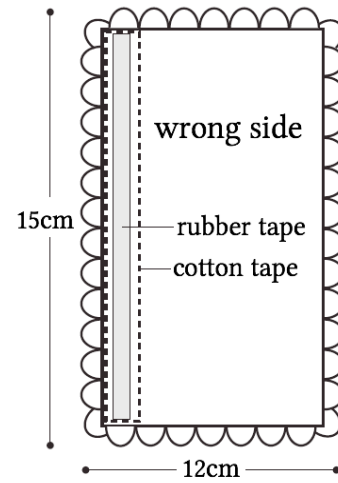

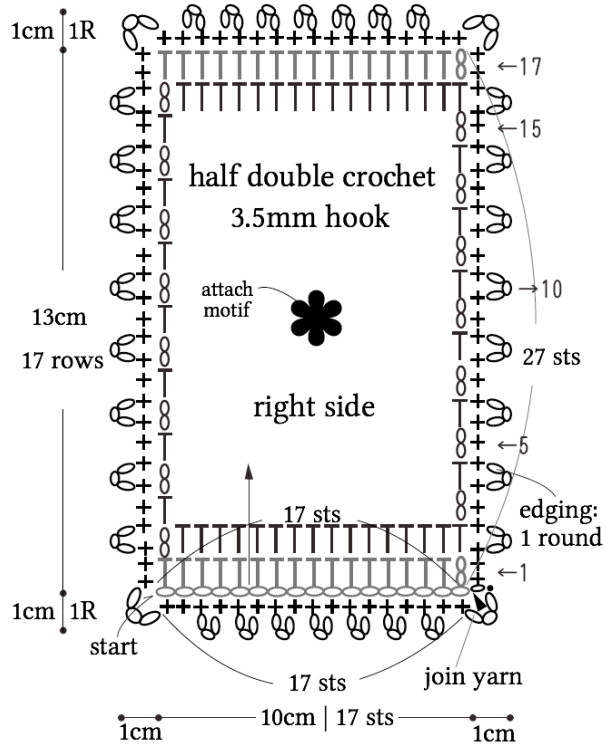

Slippers: Work sole in sc according to schematics with two strands of color #82. With one strand of color #86, work instep as follows: ch30 to CO and crochet per schematics. Using color #82, sew instep to sole with backstitch; attach motif.

Toilet rug: ch90 with color #82 to CO; work in hdc. While changing colors according to chart, work 50 rows. Leaving middle 38 sts unworked, split and work 18 rows for right and left sides separately. With wrong side of rug facing, work 1 round of sc edging with color #86, then work 2 rounds of loop stitch. Attach motifs in 8 places.

Flower motifs: Create magic ring, ch1 for turning post, and crochet per schematics.
