Crochet Tips

Body: Chain to cast on and working first row into bottom loops of chain, begin working in pattern stitch. Refer to schematics for shaping (increasing and decreasing) of sides, armscyes, neckline, and shoulders. Seam sides with slip stitch seam. Seam shoulders with slip-chain seam (see below).

Finishing: Work hem and armscye edging in the round. Starting from front center, work collar edging around front and back of neckline. Join starting edge of collar to body with mattress stitch. Chain a cord of 100cm/39.37"; thread through bottom of third row of edging, forming crisscross pattern. Tie cord.

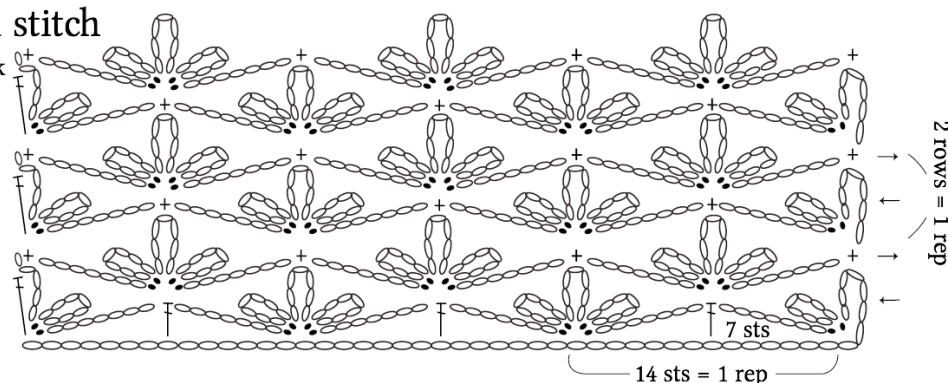

Abbreviations: ch = chain; CO = cast on; rep = repeat(s)

slip/chain seam: essentially a slip stitch seam with chain stitches interspersed between slip stitches. Sl st through one stitch in each layer. *ch2, sl st in top of next row*, continue from * to * until end.
