Knitting Tips

※**Note:** entire garment worked with 2 strands of yarn held together.

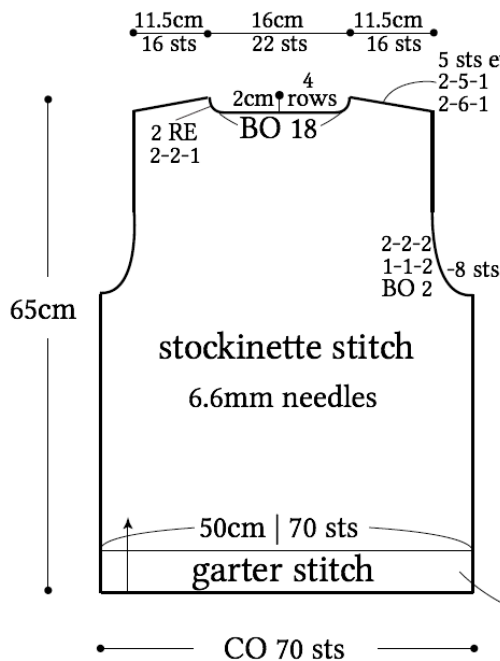

Body and sleeves: Cast on with long-tail cast-on method. Work in garter stitch followed by stockinette stitch.

Pockets: Knit stitches where mouth pocket will be using waste yarn. After knitting front body, pick up stitches from waste yarn and knit mouth of pocket and back of pocket. Seam mouth of pocket to right side of garment; seam back of pocket to wrong side.

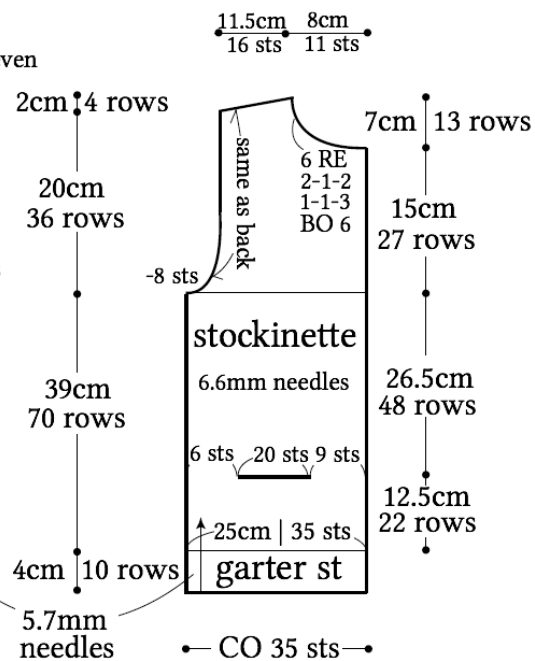

Finishing: Join shoulders with three-needle bind-off. Seam sides and sleeve undersides with mattress stitch. Pick up stitches along neckline; work collar in garter stitch, then bind off in pattern. Also work front plackets in garter stitch, then bind off in pattern. Work buttonholes in right placket and fasten buttons to left placket. Join sleeves to body with slip stitch seam.
