Knitting Tips

Front and back: Chain to cast on and work first row in bottom loops of chain. Work front and back in one piece in pattern stitch A (stripes). Starting from bust area, work front (right and left) and back separately in pattern stitch B.

Sleeves: Chain to cast on and work first row in bottom loops of chain. Work front and back in one piece in pattern stitch A (stripes). Work edging A' along cuff edge.

Finishing: Seam shoulders with woven seam. Seam sides with slip/chain seam (see below). Work edging A' in the round. Work edging A at hem and edging A' at neckline. Work edging A along front edges (to create button band), working buttonholes in right front band only. Attach sleeves to body with slip/chain seam (see below). Attach buttons.

Abbreviations:

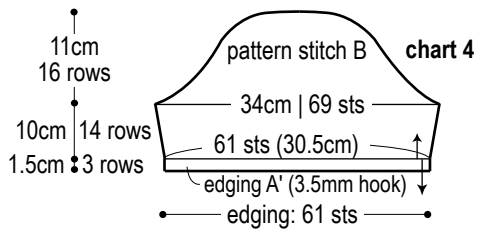

ch = chain
CO = cast on
rep = repeat(s)
sc = single crochet (US)

❖**Note:** entire garment worked with 2 strands of yarn held together.

Slip/chain seam: essentially a slip stitch seam with chain stitches interspersed between slip stitches. Slip stitch through both layers of fabric. *ch2, sl st in top of next row*, continue from * to * until end. (Note: use ch2 only for double crochet (US). Use ch1 for hdc, ch2 for dc, ch3 for treble, and so on.)
