Knitting Tips

Body: Cast on with crochet provisional cast-on and begin working in pattern stitch. Work even in pattern stitches A and B (that is, no increases or decreases), taking care to align starting points of pattern stitches. Using waste yarn, place markers at neck/hem opening on body where indicated. For left sleeve (bind-off side), work evenly spaced decreases, then continue in k2p2 ribbing. Bind off in pattern. Pick up live stitches from provisional cast-on edge and work cuff in the same manner as other cuff.

Finishing: Seam sleeve undersides with mattress stitch. Pick up stitches around neck/hem opening and work k2p2 ribbing in the round. Bind off in pattern.
