## Knitting Tips

**Front and back body; sleeves:** Cast on with long-tail cast-on and work in pattern stitch A. Shape raglan seams by working fully fashioned decreases 1 stitch in from the edge (that is, at right edge, work \*k1, ssk\* and at left edge, work \*k2tog, k1\*). Reverse shaping of right sleeve to complete left sleeve. With crochet hook, work stitches into cast-on edge and work in pattern stitch B. For the net stitch, use ch4 through row 9, then use ch5 starting from row 10, and use ch6 starting from row 18.

**Finishing:** Seam raglan edge and the portion of side that is worked in pattern stitch A with mattress stitch. Seam the portion of the side that is worked in pattern stitch B with a crochet hook and chain seam. Work edging A in the round at the hem. Work edging B in the round at cuffs.
