Crochet Tips

Body, sleeves, collar: Chain to cast on and, working into bottom loops of chain, begin crocheting. When decreasing 1 stitch, work decrease on return row. When decreasing 2 or more stitches, bind off those stitches. To increase, work into back loop of return stitch on previous row. Start collar in the same way as body and begin crocheting, shaping with short rows. When finished, bind off in pattern.

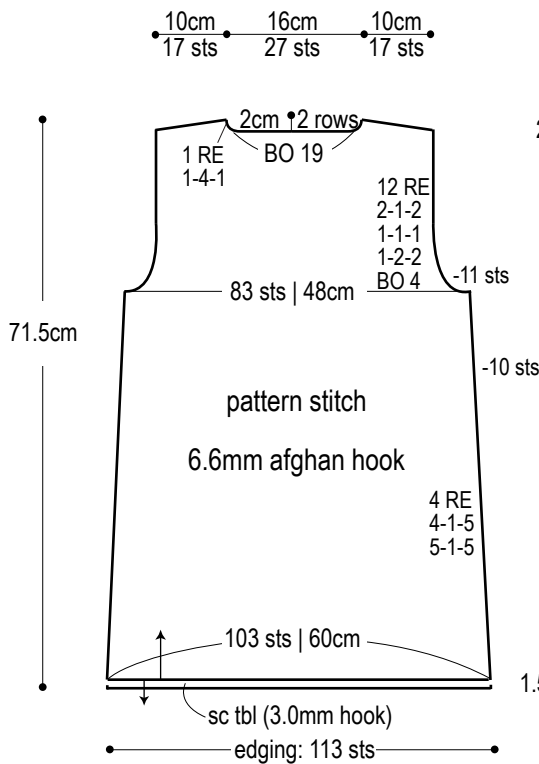

Finishing: Seam shoulders, sides, and sleeve undersides with mattress stitch. Work sc tbl (US) along front and back hem. Work sc tbl (US) along neckline and front edges (forming front band). Blindstitch collar to wrong side of body at neckline, then blindstitch sc tbl edging along neckline to WS of collar. Attach sleeves to body with slip stitch seam.

※Entire garment worked with 2 strands of yarn held together (1 strand of each yarn).
