Crochet Tips
Crochet hat according to schematics using 2 strands of ett held together. Continue to edging, but for visor section, work as follows: on round 3, work post stitches around dc stitches of round 2, alternating between front post dc and back post dc. On round 4, work slip stitch with wrong side facing, being careful to work the slip stitches along the visor edge loosely. Knit 2 earflaps according to schematics with 1 strand of Fine Mall.

Whipstitch earflaps to first round of edging. Attach buttons. Decide where buttonholes in earflaps should be based on button placement. Make a hole (by finding a spot between stitches) and, with 1 strand of Fine Mall, stitch around the hole to form a buttonhole. Thread 1 strand of Fine Mall through the sections of the hat worked in post stitch.
