Knitting Tips

※Entire garment worked with yarn held doubled.

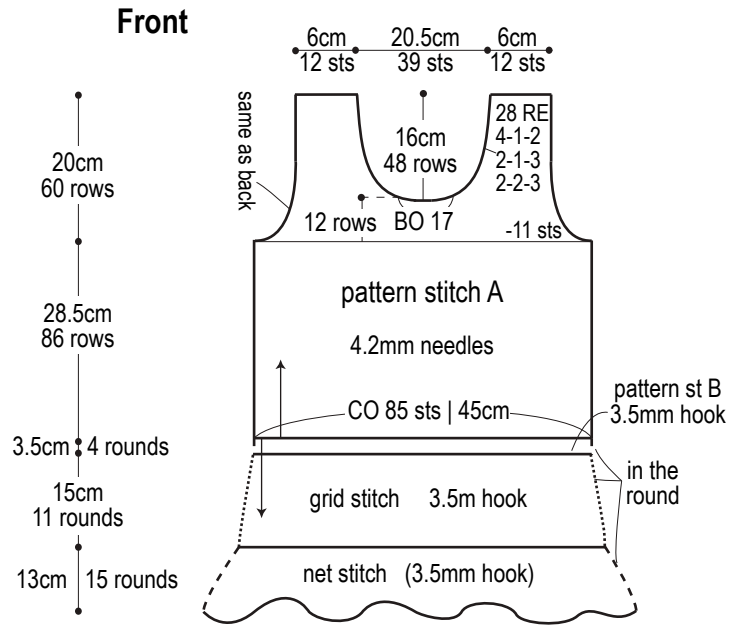

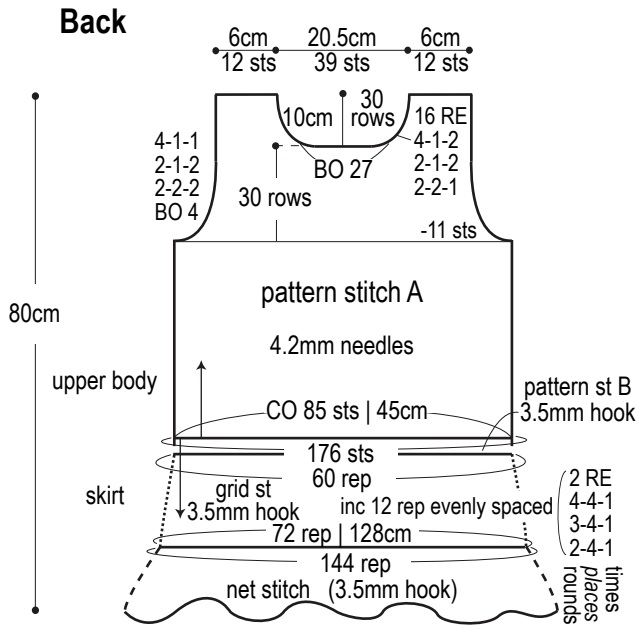

Back and front bodice: Cast on with long-tail cast-on method and work upper body in pattern stitch A. Seam shoulders with slip stitch. Seam sides with mattress stitch.

Skirt: Working into cast-on edge of upper body, crochet pattern stitch B in the round. Continue in grid stitch (in the round), working evenly spaced increases. After grid stitch section, continue in net stitch C. Work ruffles in net stitch A and net stitch B where indicated (working first round into grid stitch section).

Finishing: Crochet a cord, then thread through eyelets in pattern stitch B. Working edging around armholes and neckline.

Abbreviations:

BO = bind off
ch = chain
CO = cast on
dc = double crochet (US)
inc = increase
RE = row(s) even
rep = repeat(s)
= rows-stitches-times

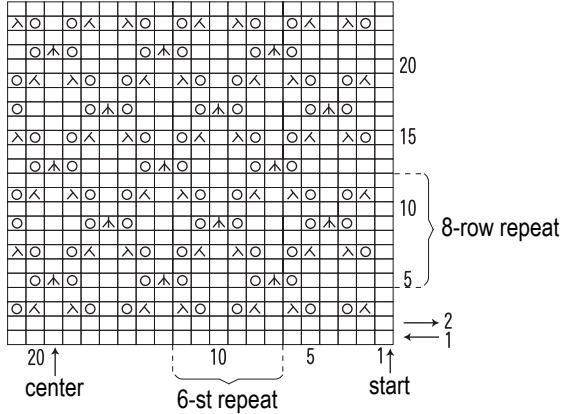

Note: in skirt section, ### indicates rounds-places-times (rather than rows-stitches-times).

Over 11 rounds, you will increase 12 pattern repeats, increasing in 4 evenly spaced places per increase round. Each pattern repeat is 3 sts, so you will increase 3 sts in each of 4 places per increase round (adding a total of 12 stitches per increase round).
