Knitting Tips

※Kids' and ladies' sizes are worked in the same manner.

Body and sleeves: Cast on using long-tail cast-on method. Work in pattern stitch and stockinette stitch. At the same time that you are knitting the front body, work button bands in k1p1 ribbing, being sure to work buttonholes in right front band. Shape sides and raglan edges with fully fashioned decreases.

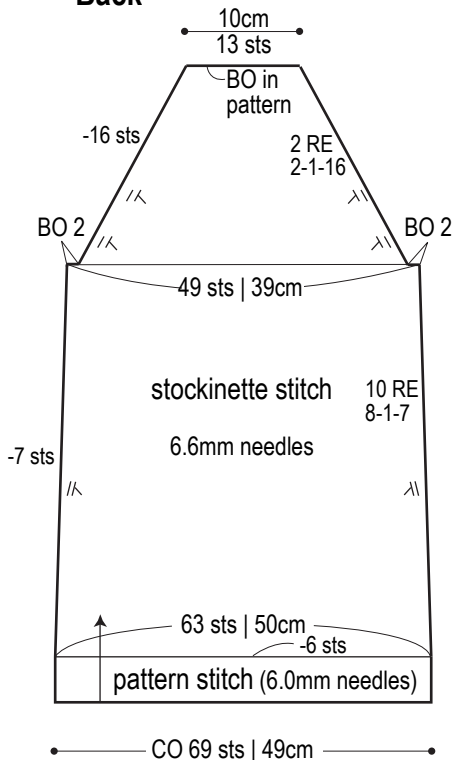

Finishing: Seam raglan edges with mattress stitch. Seam underarm gusset with Kitchener stitch, then continue seaming sides and sleeves with mattress stitch. Pick up stitches around neckline (including edge of front button band) and work collar in k1p1 ribbing. Bind off in pattern. Knit pockets in stockinette stitch and pattern stitch. Attach to jacket where indicated. Attach buttons to left front band.
