Crochet Tips

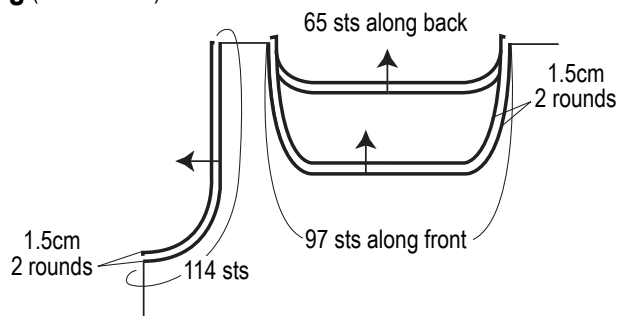

Body: Chain to begin, starting from hem, and work first row into bottom loops of chain. Crochet 1 piece of hem in pattern stitch A (9cm long) and one piece in pattern stitch A' (12cm long), altering the gauge by changing crochet hook size when indicated. Make 2 of each of these hem pieces (for front and back). Place pattern stitch A piece over pattern stitch A' piece, then seam the two layers together by working 1 row of single crochet through both layers. Continue, working body in pattern stitch B and C.

Finishing: Seam shoulders with whipstitch. Seam sides with slip stitch. Whipstitch short ends of hem strips (pattern stitch A and pattern stitch A' pieces) together. Work edging in the round around neckline and armholes.
