※Entire tippet is worked with 2 strands of yarn held together: 1 strand of color #04 melange brown and 1 strand of color #05 brown.

Body of tippet: Work chain to begin. Work alternating rows of sc and looped sc. Make another piece just like the first.

Finishing: Seam bind-off edges of the two pieces together from the wrong side using whipstitch. At each end, sew cotton lace ribbon to tippet.

$\boxtimes$ = looped sc instructions

Make loops using middle finger.

1. Carry yarn over hook, using middle finger of left hand to pull yarn down, lengthening the loop as needed.

2. Insert hook into stitch. While keeping elongated loop on middle finger, draw new loop up from working yarn.

3. Wrap loop around hook, then draw through two loops on hook. You will now have a long loop on the side of the fabric facing away from you.

4. View of finished stitch from right side.
