Knitting Tips

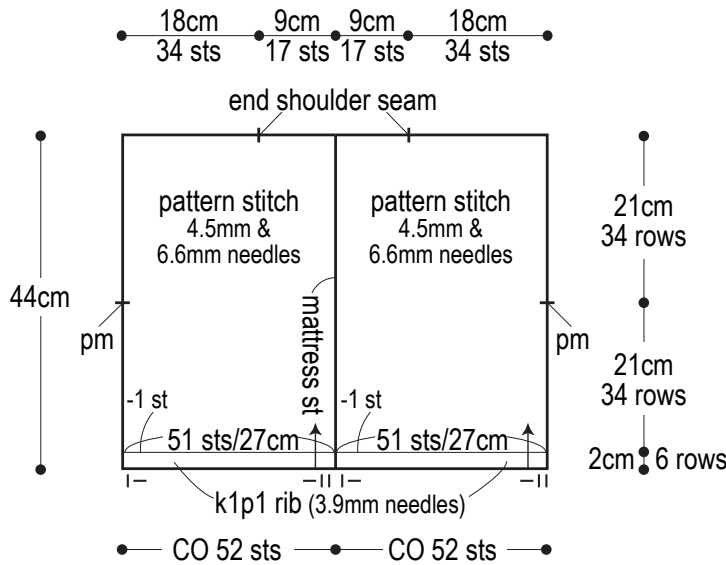

Back and front body: Back and front are worked in two pieces each. Cast on with long-tail cast-on method, and work in k1p1 ribbing and pattern stitch (reverse stockinette stitch). For pattern stitch (reverse stockinette stitch), change needle size every other row as indicated.

Finishing: Seam center of back and front half pieces, respectively, using mattress stitch and seaming from the right side. Seam shoulders with three-needle bind-off. After seaming sleeves to body with slip stitch seam, continue underarm and side seam in mattress stitch. Crochet collar edging in the round in single crochet (US). For this design, the purl side is the right side, and the seam margin where the back and front half pieces are seamed should be visible.
