Crochet Tips

Back & front body: Starting with magic ring, crochet motif. Starting from second motif, work in the round, joining motifs on last round as you go. (Take note of how hook size changes for every strip of motifs.) For chest section, work first round into top edge of motifs. Work chest section in double crochet (US) in the round. Work 1 round of crab stitch.

Shoulder straps: Make chain to begin, and working first row into bottom loops chain, work in dc. Work ruffle in net stitch. Work crab stitch along edge of foundation row.

Finishing: Seam shoulder straps to body on wrong side. Work edging A along ruffle. Work edging B in the round around hem. Crochet cord and thread through bodice.

※Because the finished size of your motifs may vary according to your gauge, the final length of the tunic may differ from the stated measurements.
