## Knitting Tips

**Back & front body:** Cast on with crochet chain cast-on method. (Using crochet hook, work a chain as many stitches long as you need to cast on. Then pick up and knit from the bottom loops of the crochet chain). Knit peplum section in pattern stitch A. Continue, working back section in stockinette stitch and front section in stockinette stitch and pattern stitch B.

**Sleeve:** Cast on with long-tail cast-on method. Work in k2p2 ribbing followed by stockinette stitch.

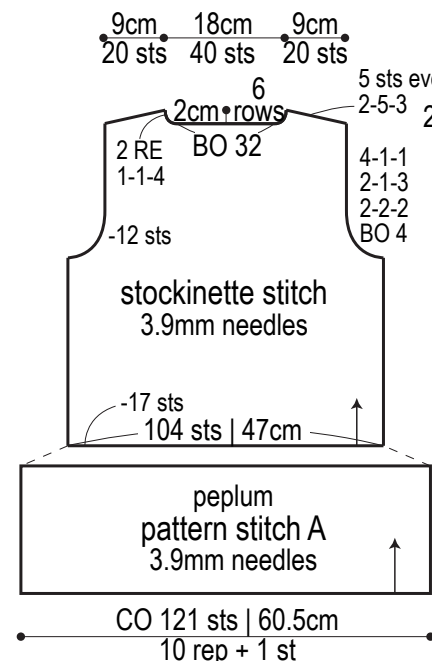

**Finishing:** Seam shoulders with crochet slip stitch. Seam sides and sleeve undersides with mattress stitch. Seam sleeves to body with crochet slip stitch. Working along front edges and neckline, crochet front bands and collar in one continuous piece. Work buttonholes in right front band. Sew buttons to left front band.
