## Tools/Notions:

- 3.5mm (US E) crochet hook or size necessary to achieve gauge
- tapestry needle

## Finished measurements:

- width 254cm/100.00"
- length 191.5cm/75.39"

## Gauge:

- Each motif should measure 12.5cm/4.92" square.

*Gauge may vary according to individual crochet style. Change hook size if necessary to achieve gauge. Alternatively, rework pattern with your own gauge measurements.*

## Crochet Tips

**Motif A:** Start with magic ring. Work 5 rounds, changing color when indicated.

**Motif B:** ch22 (not including turning post), then work 13 rows of fp dc and bp dc.

**Motif C:** ch22 (not including turning post), then work 10 rows. Change color at center as shown.

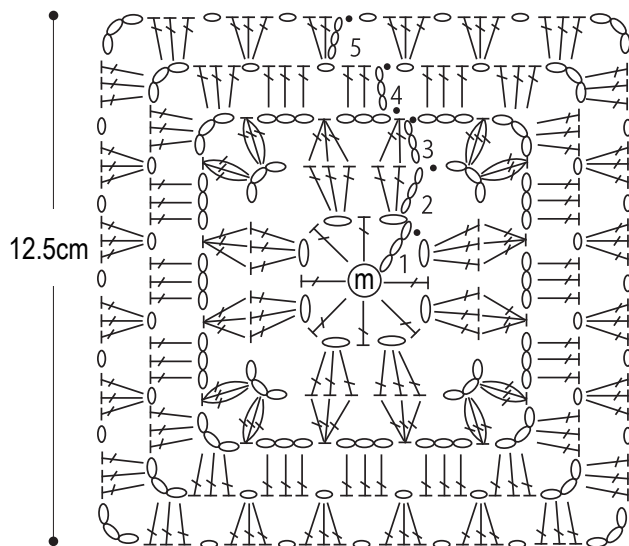

**Motif D:** ch20, change color, then ch2 (plus turning post). Work 10 rows in dc, changing color when indicated to achieve diagonal design.

**Finishing:** Crochet motifs A-D, for a total of 300 motif squares. Refer to charts & schematics for color sequences and the required number of each motif. Whipstitch squares together. Work edging around outer edge with color #13 beige. (Note that each pattern repeat is 20 squares (5 x 4), so you can easily alter the blanket size as desired.)

## How to seam motifs (whipstitch)

vertical

Continue to next square without cutting yarn.

horizontal

Where 4 squares meet, form an X with the yarn.

1. Holding motifs together, thread yarn through back loops with tapestry needle, whipstitching motifs together.

2. Whipstitch in the same manner for vertical seams, but when you reach corners where 4 motifs meet, whipstitch in such a way that you form an X at the corner.

※You may start with either vertical or horizontal seams.
