Knitting Tips

Cast on with long-tail cast-on method. Work k2p2 ribbing in the round. Continue in stranded pattern stitch, working evenly spaced increases. Shape top of hat by decreasing as indicated in chart. When 12 stitches remain, thread yarn tail through those 12 stitches and cinch shut.

Abbreviations:

CO = cast on

inc = increase(s)

k = knit stitch

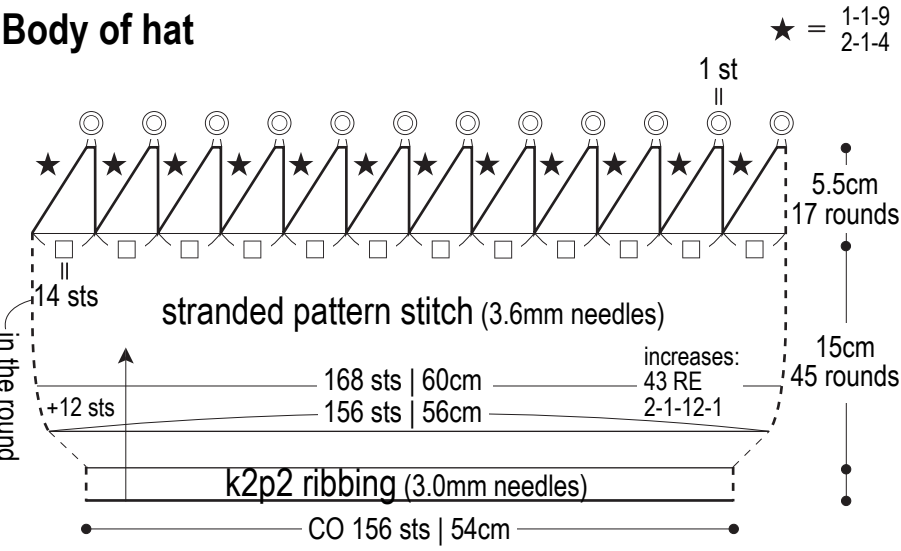

p = purl stitch

RE = round(s) even

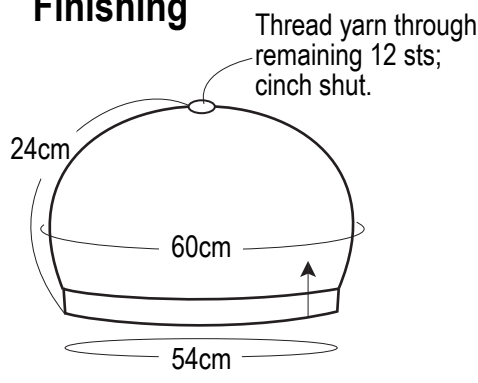

= rounds-stitches-times [For example, 2-1-4 means "every 2 rounds, decrease 1 stitch; do this 4 times total." In this pattern, the location of the ★ symbol indicates *where* to work the decrease. Work the decrease at *each* ★ symbol.]

= rounds-stitches-places-times [Used for evenly spaced decreases worked across entire width of an item. For example, 2-1-12-1 means "every 2 rounds, decrease 1 stitch in each of 12 places across the round; do this 1 time total."]
