

FG628-amigurumi Amigurumi Bear & Puppy Dog

Suggested yarn:

- Pierrot Yarns Michell [83% wool, 17% nylon; 87 yds/80m per 1.41 oz./40g skein];
 - bear: color #81 orange/red variegated, 1 skein [30g]
 - puppy: color #86 green/brown variegated, 1 skein [30g]

Tools/Notions:

- 3.5mm (US E) crochet hook or size necessary to achieve gauge
- polyfiber stuffing (or yarn scraps)
- brown thread
- 2 safety eyes per animal (8mm/0.31")

Finished measurements:

- Please refer to schematics.

Gauge (10cm/4" square):

- No gauge information is provided in the original pattern. Use hook size necessary to achieve firm fabric such that the stuffing will not show through.

Gauge may vary according to individual crochet style. Change hook size if necessary to achieve gauge. Alternatively, rework pattern with your own gauge measurements.

Crochet Tips

Create magic ring, and work sc in the round into the ring. Crochet each part in sc in the round, increasing and decreasing as indicated. Insert polyfiber stuffing. Leave a tail after binding off each body part, then use these tails to sew parts together with whipstitch as shown in schematics. Sew arms and legs to each side. Embroider nose and mouth with brown thread. Sew safety eyes to head (preferably safety eyes designed for amigurumi).

※Finished size of amigurumi bear or dog may vary based on your gauge and how tightly you stuff it.
