Knitting Tips

Back and front body: Cast on with long-tail cast-on method. Work in pattern stitch A. For front body only, separate right and left where indicate and work these sides separately.

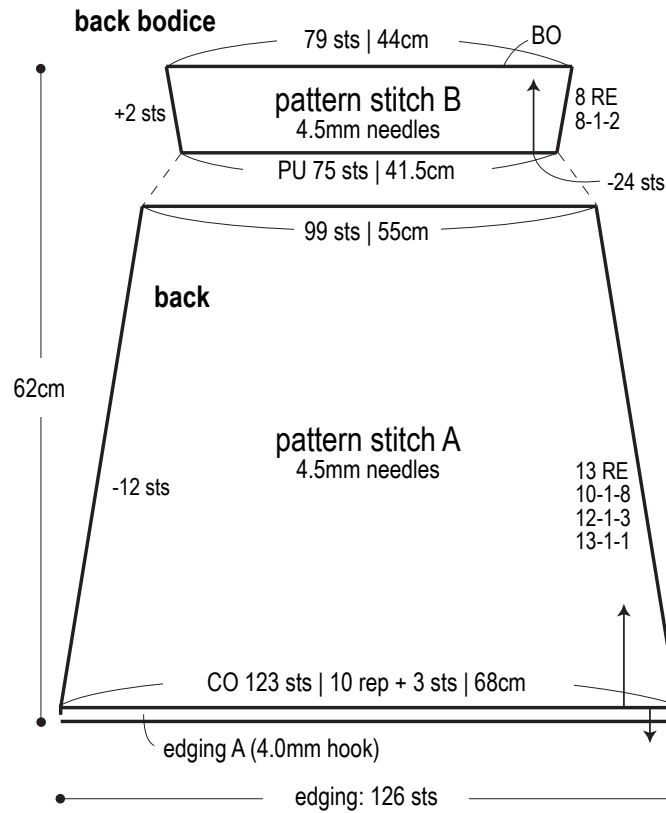

Yoke: Continuing from section in pattern stitch A, begin working in pattern stitch B. On first row of pattern stitch B, work decreases. Work right front bodice according to chart. Work left front bodice by reversing all shaping for right front bodice.

Finishing: Seam sides with mattress stitch. Work edging A in the round around hem. Work edging A' along bodice (back as well as upper and lower front bodice areas on schematic). Seam ends of edging to body with whipstitch. Crochet shoulder straps and fasten to bodice. Sew on buttons. Use eyelets in edging as buttonholes.
