Crochet Tips

Back body: Work foundation chain to begin, then work in pattern stitch.

Front body: Start right front with foundation chain, then work in pattern stitch according to chart and schematic. Start left front by loosely chaining 70 sts, then cut yarn. Join yarn again where indicated, then work in pattern stitch according to chart and schematic.

Finishing: Seam shoulders with woven seam. Seam sides with chain seam (alternating chain stitches and slip stitches as needed to maintain pattern). Working edging around hem, front edges, and neckline in one continuous round. Work the same edging around each cuff.

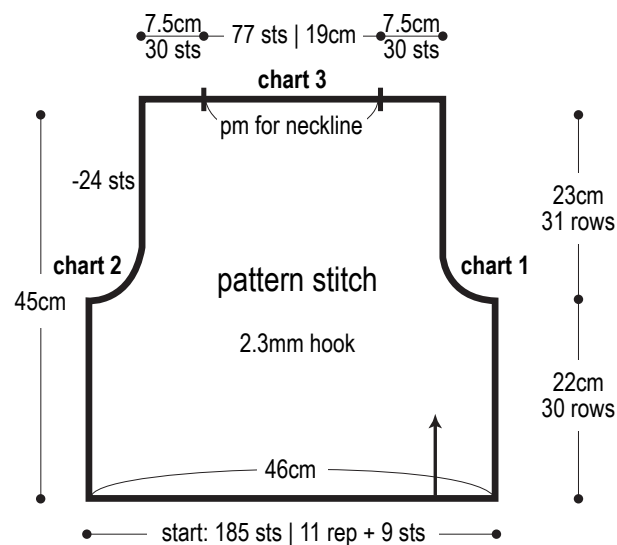

※In the event that seaming the shoulders with a woven seam is difficult, work the woven seam through front loops of chain stitches only.
