Crochet Tips

Jacket body & sleeves: Work foundation chain to begin. Changing color every row (refer to chart for color sequences), work in pattern stitch. When changing color, carry unused yarn up the sides rather than repeatedly cutting and joining yarn.

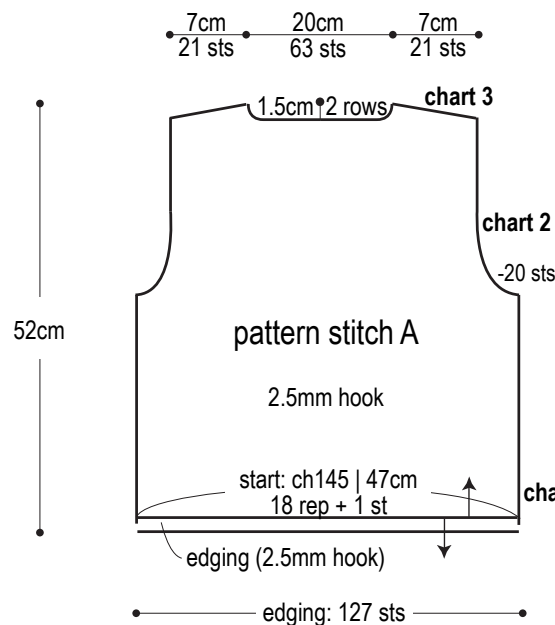

Finishing: Seam sides and sleeve undersides with chain seam (alternating chain st and slip st as needed to maintain pattern). Seam shoulders with chain seam. Work edging in the round along hem, front edges, and neckline. Work edging in the round at cuffs as well. Seam sleeves to body with chain seam.

Skirt: First work waistband in stockinette stitch. Seam ends with mattress stitch, forming a circle, but leave a gap to thread elastic through later. Working stitches into cast-on row of waistband, crochet in pattern stitch (working top-down towards the hem). Fold waistband to the inside, and seam bind-off row to cast-on row with whipstitch. Thread elastic through waistband.
