Gauge (10cm/4" square):

Crochet Tips
Large flower: Create magic ring to begin, then work 3 rounds, increasing as indicated. Change colors, then work flower petals on rounds 4 and 5. Change colors again, then, referring to chart, work flower petals of rounds 6 and 7 in front of petals on rounds 4 and 5. This creates two layers of flower petals.

Small flower: Work as for large flower, but stop after round 5.

Finishing: Crochet base piece. Arrange 2 large flowers and 3 small flowers on top of base piece in a balanced manner. Sew brooch pin to back side of brooch.
