Crochet Tips

Motifs: Using vinyl ring at center to begin (working stitches around ring), crochet 50 motifs according to chart.

※Note: If you do not wish to use vinyl rings, an alternative is to ch6, then join into the round.

Cushion cover: Make two pieces (front and back), each of 25 motifs. For each piece, join motifs in order from 1 to 25.

Finishing: With wrong sides facing each other, join front and back pieces together by working edging through both layers. Where opening (for inserting pillow) is indicated, work edging along just one edge at a time instead of through both layers. Fasten buttons to cushion cover, and use eyelets in fabric as buttonholes.
