Crochet Tips

Body & front body: Work foundation chain to begin. Starting from center back, work in pattern stitch. Work up until beginning of armhole (marked on schematic), then work stitches into separate crochet chain worked in advanced for this purpose and continue to right front. Working stitches into bottom loops of foundation chain, work second half of back and then left front.

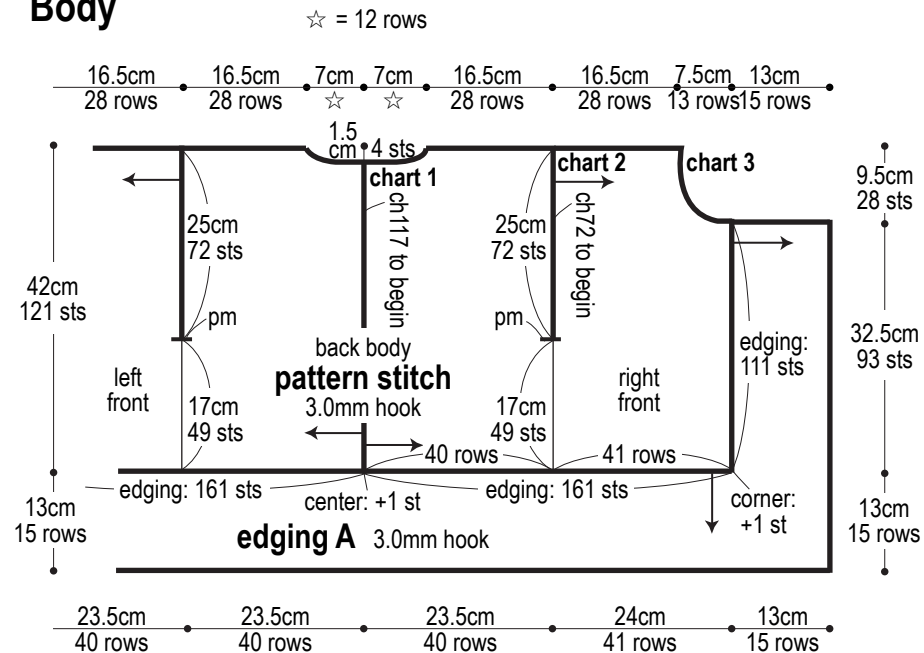

Sleeves: Work foundation chain to begin, then work in pattern stitch.

Finishing: Seam shoulders with chain seam (alternating ch and sl st as needed to maintain pattern). Seam sides and sleeve undersides with chain seam. Working into stitches along front edges, work edging A continuous along front edges and hem. Work edging B along neckline. Work edging A' back and forth in joined rounds around sleeve cuffs. Seam sleeves to body with chain seam. Working along neckline and across ends of rows in edging A section, work edging B along neckline.
