Crochet Tips

Skirt section: Work chain to begin, then work in pattern stitch A, increasing as indicated. Make 2 of the same piece.

Finishing: Seam sides with chain seam (alternation chain stitches and slip stitches as needed to maintain pattern). Work 1 round of edging. Working into bottom loops of foundation chain at waist, work pattern stitch B in the round. Fold waistband where indicated on schematic. Tack down waistband with whipstitch while inserting elastic into waistband casing as you go.
