Knitting Tips

Ladies' fingerless mitts: Cast on with long-tail cast-on method. Work in k1p1 ribbing and stockinette stitch in the round. On palm, work thumb stitches with waste yarn. Change to k1p1 ribbing again and then bind off in pattern. Pick up stitches from waste yarn; work thumb in stockinette stitch in the round. Bind off.

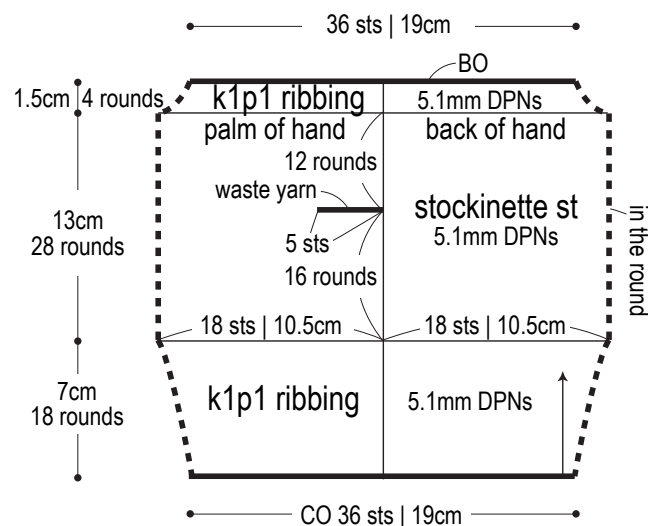

Girls' mittens: Begin as for ladies' mitts. Work in k1p1 ribbing and stockinette stitch in the round. Work thumb stitches with waste yarn as for ladies' mitts. Starting from round 22, work 4 evenly spaced 1-st decreases spread across each round three times. Seam remaining stitches from palm and back of hand using Kitchener stitch. Work thumb as for ladies' mitt, but on the final round, work decreases using ssk. Thread yarn tail through remaining stitches and cinch tip of thumb shut.

Finishing: Make 2 ribbons (per pair) and attach to back of hand. Fasten pearl beads to ribbons, referring to schematic for placement.
