Knitting Tips

Body: Cast on with waste yarn. Work 31 rows in pattern stitch B. Hang stitches from cast-on edge back on the needles; knit together with current row to form hem. Beginning working pattern stitch A from punchcard where marked. Seam shoulders by hanging stitches of one shoulder with right side facing you. Seam shoulders as follows: hang one shoulder on needle with right side facing you, then push all stitches behind latches. Hang the corresponding piece on same needles with wrong side facing you, but do not push these stitches behind latches. Push needle butts back so that stitches in hooks pull through stitches behind latches. Knit 1 row, then work sewn bind-off.

Sleeve: Work cast-on and hem as for body. After completing hem, work sleeve in pattern stitch A, starting from row 1 of punchcard.

Finishing: For stockinette portion of folded hem and cuffs, reduce setting on tension dial; work first 2 rows after cast-on and last two rows before bind-off in lamé yarn. For the collar, use lamé yarn only for tip of fold.
