Knitting Tips

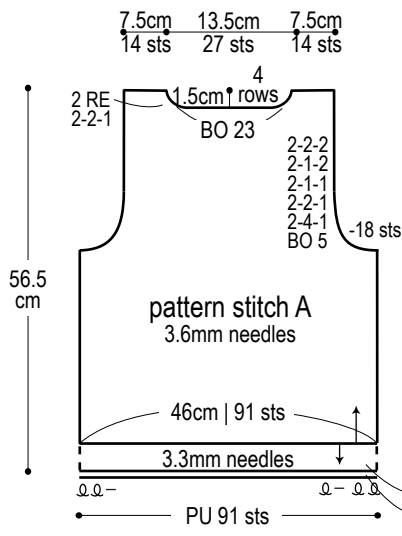

Body: Cast on with crochet provisional cast-on method. Work in pattern stitch according to schematic. Shape armscye and neckline by binding off stitches as indicated and by working decreases at the edges.

Finishing: Seam shoulders with three-needle bind-off method. Seam sides with mattress stitch. Pick up stitches around armhole and work twisted k1p1 ribbing in the round. Bind off, then work 1 round of crab stitch. Remove provisional cast-on edge at hem, picking up live stitches. Work edging as for neckline (but in rows rather than rounds). Pick up stitches along front edges and neckline; work collar & buttonband in same pattern as armhole edging. Be sure to work buttonholes in right front edge only.
