Crochet Tips

Back body: Work foundation chain to begin. Work in pattern stitch starting from the shoulders downward, changing hook size as indicated to alter gauge. To work the left armscye, add more stitches by working into a crochet chain worked in advance for this purpose.

Front body: Work foundation chain to begin. Work in pattern stitch starting from the shoulders downward, changing hook size as indicated to alter gauge. To work the right armscye, add more stitches by working into a crochet chain worked in advance for this purpose.

Finishing: Seam shoulders with chain seam (alternating chain sts and slip sts as needed to maintain pattern). Seam sides with chain seam. Work edging A in the round along neckline and armholes. Work edging B in the round along hem.
