Tools/Notions:

- both items: 2.5mm (approx. US B or C) crochet hook or size necessary to achieve gauge
- Pocket Vest: 6 buttons (12mm/0.47")
- Pocketwatch:
 - 1 button (12mm/0.47")
 - 1 bead (5mm/0.20")
 - 1 piece of teknorote (11cm/4.33" long)

Finished measurements:

- Pocket Vest: • chest 78.5cm/30.91" • cross back width 33cm/12.99" • back length 35.5cm/13.98"
- Pocketwatch: • please see schematics

Gauge (10cm/4" square):

- pattern stitch: 27 sts and 18 rows

Gauge may vary according to individual crochet style. Change hook size if necessary to achieve gauge. Alternatively, rework pattern with your own gauge measurements.

Crochet Tips

✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

Back of vest: Work foundation chain to begin, then work sideways in pattern stitch. For left armscye, work new stitches into crochet chain worked in advance for this purpose.

Front of vest: Work foundation chain to begin, then work sideways in striped pattern stitch. For right front and left front armscyees, work next stitches into crochet chains worked in advance for this purpose. Work right front sideways from (future) underarm side seam; work left front sideways from front center edge. Where pocket is marked, separate into upper and lower sections for 14 rows.

Vest finishing: Seam sides and shoulders with chain seam (alternating ch st and slip st as needed to maintain pattern). Work armhole edging back and forth in joined rounds. Work edging along hem edge. Work edging along front edges (including ends of hem edging rows). Work buttonholes in left front edging only. Crochet mouth of pocket and back of pocket; seam in place with whipstitch. Crochet backstrap and seam in place where indicated. Fasten buttons to buttonband.

Pocketwatch: Create magic ring; work in sc in the round, increasing as indicated in chart. Make 2 pieces, each up through round 8, then join them together by working sc through both layers with wrong sides facing each other.

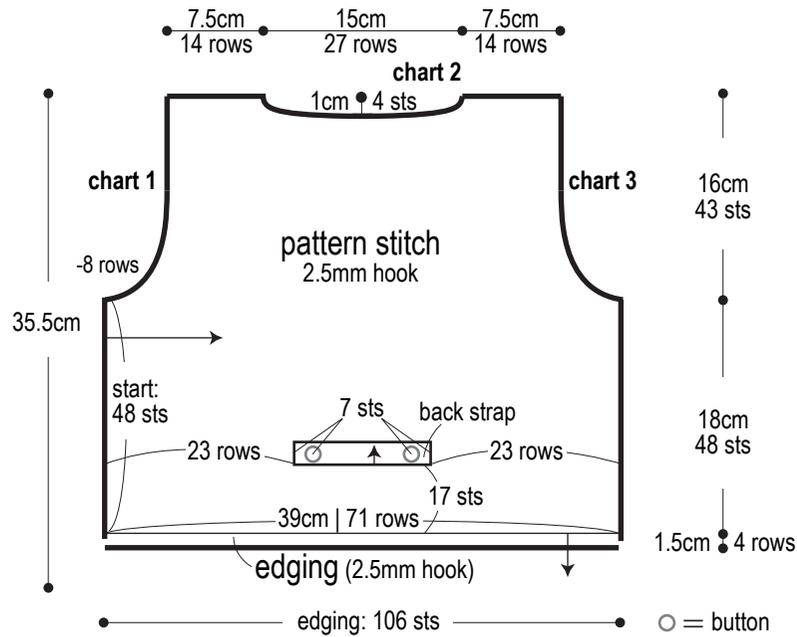

Pocketwatch finishing: Work another round of sc, encasing teknorote (polypropylene memory wire) in the stitches as you go (by working sts around it). Sew bead to center of watch face. Embroider numbers on watch face. Fasten button to top and work chain for handle.

Abbreviations:

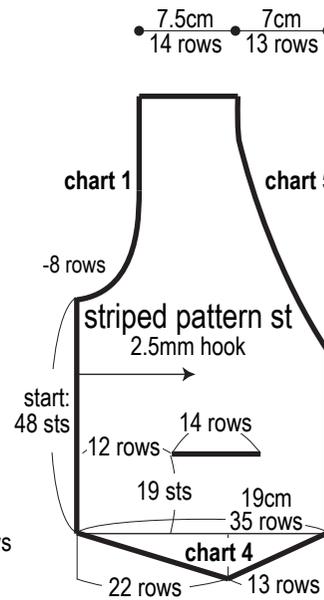

ch = chain dc = double crochet (US) m = magic ring sc = single crochet (US) sc2tog = work 2 sc sts together
