Crochet Tips

✳️ **Note 1:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

✳️ **Note 2:** Each version of the bag is worked with 2 strands of yarn held together. Work stitches tightly so that the bag will stand up.

Bottom & sides: Work foundation chain to begin, then work in sc according to chart.

Handles: Work foundation to begin. On rows 2 and 4, work sc stitches around teknorote. Finish each handle with whipstitch according to schematic.

Finishing: Seam handles to bag where indicated.

Abbreviations:

ch = chain sc = single crochet (US)
