Summary

✳️**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

Body: Work foundation chain to begin. Work first round of mesh stitch into bottom loops of chain. Work center section in mesh stitch, then continue in net stitch. After binding off, work net stitch in other side by working first round into foundation chain. Thread elastic through scrunchie where indicated; tie ends of elastic together securely.

Version A finishing: Work foundation chain to begin. Work ribbon parts in sc. Using color #03 vanilla, wrap yarn around center of ribbon and tie a knot. Fasten beads to ribbons, then seam ribbons to scrunchie.

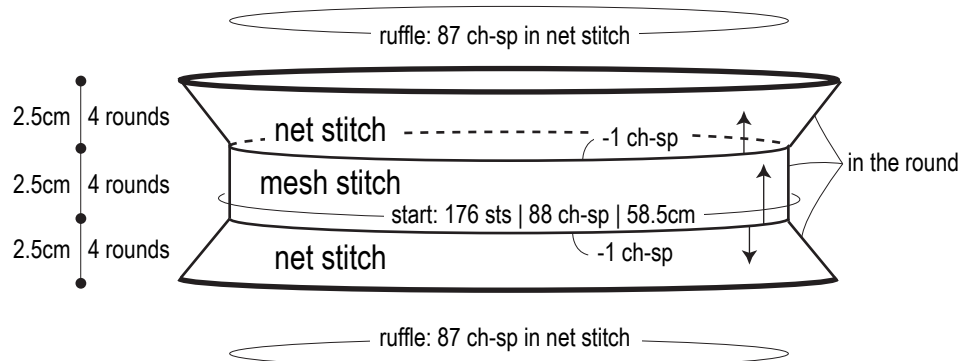

Version B finishing: Create magic ring to begin, then crochet flower parts. Sew beads in place using color #03 vanilla, then tie a knot at the back. Fasten flowers to scrunchie.
