Summary

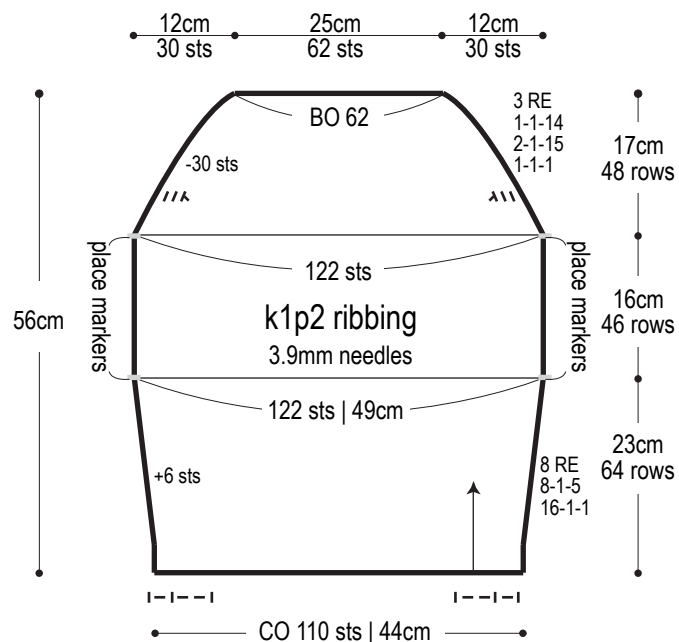

Body (make 2 of the same): Cast on with long-tail cast-on method. Work in k1p2 ribbing. Work increases at each edge using lifted increase. Work fully fashioned decreases 3 stitches in from the edge. Place markers for sleeve. Rather than bind off, place all stitches on stitch holder.

Finishing: Seam shoulders and sides with mattress stitch. Pick up stitches from front and back neckline area; work collar in k2p1 ribbing. (When the collar is folded down, it will appear as k1p2 ribbing.) Bind off loosely in pattern. Sew zipper to collar slit.
