### Summary

✳️**Note:** entire garment worked with 2 strands of yarn held together.

**Back and front body & sleeves:** Cast on with long-tail cast-on method. Work in stockinette stitch. Change needle size and continue in stockinette stitch. For both back and front, work right and left sides separately. Place marker for sleeve. After sleeve is finished, bind off all stitches.

**Finishing:** Place back right and left sides, and front right and left sides, together and seam together (where center back/front will be). Work seam from wrong side with mattress stitch, so that seam will appear on right side. Seam sides (from hem to sleeve marker) on wrong side with mattress stitch. Seam shoulders with crochet slip stitch. Seam sleeve undersides on right side using mattress stitch. Pick up stitches from neckline; work collar in k1p1 ribbing in the round. Bind off in pattern. With wrong sides facing each other, seam sleeves to body with crochet slip stitch seam.
