Summary

Body: Note that right front, back, and left front are worked in one piece. Cast on with long-tail cast-on method. Work in pattern stitch. Shape waist by changing needle size as indicated to alter gauge. Starting from armscye, work right front, back, and left front separately. Shape shoulders with short rows, then place all shoulder stitches on stitch holder.

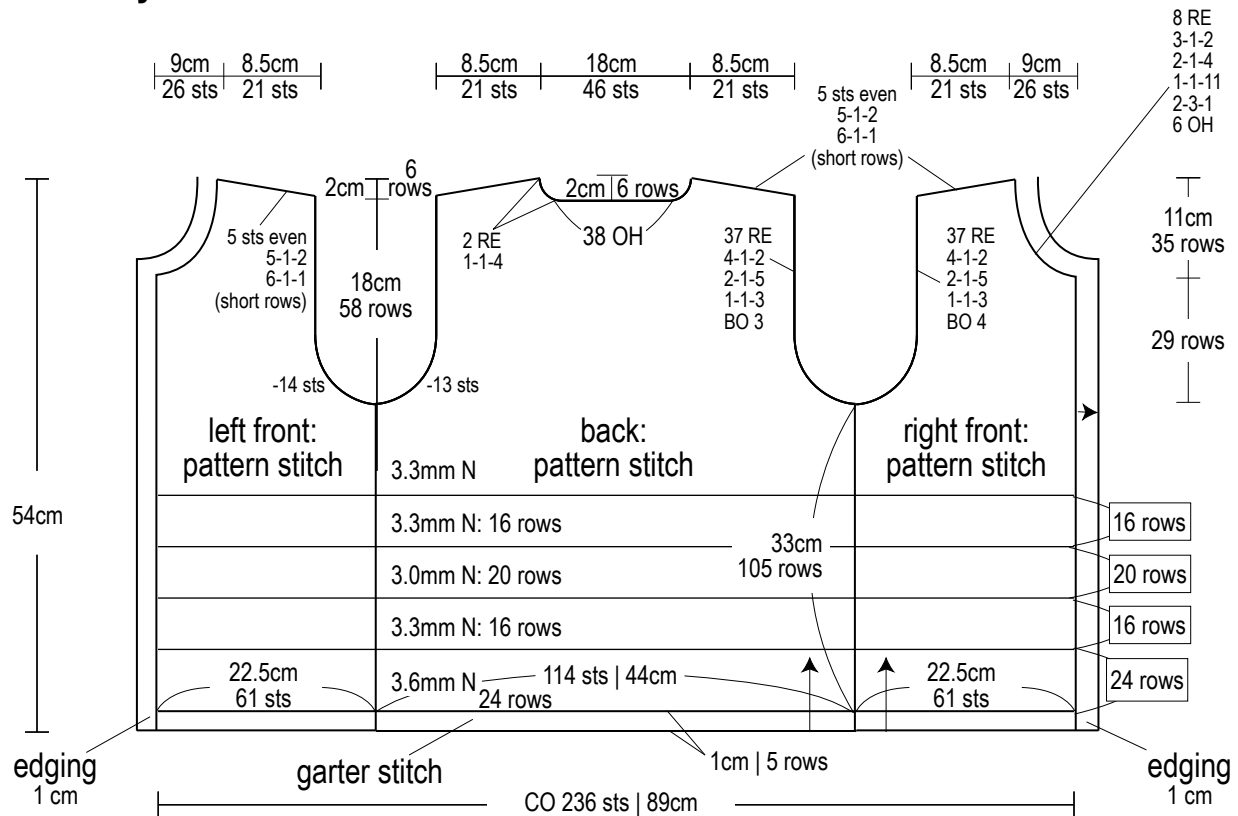

Sleeves: Cast on with crochet provisional cast-on method. Work in pattern stitch. Remove provisional cast-on edge at cuff edge, picking up live stitches as you go. Work cuff in garter stitch, then bind off.

Finishing: Seam shoulders with three-needle bind-off method. Seam sleeve undersides with mattress stitch. Pick up stitches along front edges and neckline. Work edging in garter stitch, creating buttonholes in right front band only. Bind off. Seam sleeves to body with crochet slip stitch seam.
