Summary

❖**Note:** When working seed stitch, always use 2 strands of yarn held together (1 strand of Rabbits and 1 strand of Soft Merino Fingering). When working k1p1 ribbing, always use 2 strands of Soft Merino Fingering held together.

Body & sleeves: Cast on with long-tail cast-on method. Work in k1p1 ribbing. Change yarn and continue in seed stitch. Reverse shaping of right front for left front.

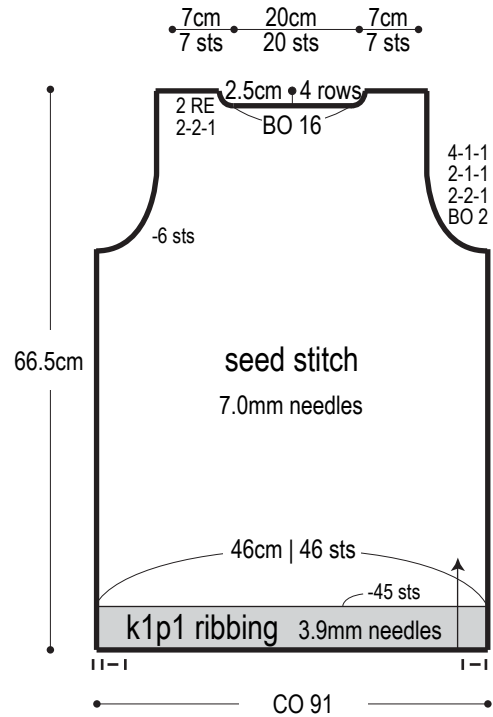

Pockets: Cast on with long-tail cast-on method. Work in seed stitch. Change yarn and continue in k1p1 ribbing. Bind off in pattern. Seam to front where indicated.

Finishing: Seam shoulders with crochet slip stitch seam. Seam sides and sleeve undersides with mattress stitch. Pick up stitches along front edges and neckline, and work edging in k1p1 ribbing, working buttonholes in right front edging only. (You will probably want to use DPNs or a circular needle due to the number of stitches.) Bind off in pattern. Seam sleeves to body with crochet slip stitch seam.
