Summary

Body: Cast on with long-tail cast-on method. Work 3 rows in stockinette stitch, then 3 rows in garter stitch, then continue in stockinette stitch. Bind off 6 stitches at each armhole, then work fully fashioned edges along armholes by purling the third stitch in from the edge. (On WS, knit the third stitch in from the edge instead of purling.) For neckline/collar, increase 1 stitch at each side of neckline using backwards loop cast-on increase. Continue working collar. Bind off loosely.

Finishing: Seam shoulders with three-needle bind-off method. Seam sides of body and collar with mattress stitch.
