Summary

Lining: Cut fabric as shown. Seam body/bottom piece to side pieces. Fold "folded hem" sections to wrong side. Make 2 of these linings.

Motifs: Create magic ring to begin, then work 84 motifs (small, large, and half) according to charts. Sew to RS of outer lining, distributing evenly.

Finishing: Fasten snap to inner lining of bag (one half of snap per side). Insert inner lining into outer lining; sew together at mouth using mattress stitch. To prevent snaps from coming loose from fabric, sew around them through both lining layers. Fasten O-rings, lobster clasps, and chain to bag.

Abbreviations:

hdc = half double crochet (US) m = magic ring/circle RS = right side WS = wrong side YO = yarn over

7-hdc embellished bobble stitch = *YO, insert hook from front to back into next stitch, YO, draw yarn through stitch, YO*, repeat from * to * 6 more times (15 loops on hook). YO, draw yarn through all but one loop on hook. YO, draw yarn through 2 loops (one 7-hdc embellished bobble stitch completed.)
