## Summary

❖ **Note 1:** Like all Japanese patterns, stitch counts given here for foundation chains do **not** include any chain sts needed for turning posts.

❖ **Note 2:** Work body of clutch with 2 strands of yarn held together. (For versions C and D, some sections will be worked with 2 strands, each of a different color). Sc edging worked with 1 strand of yarn. Refer to schematic for color sequences.

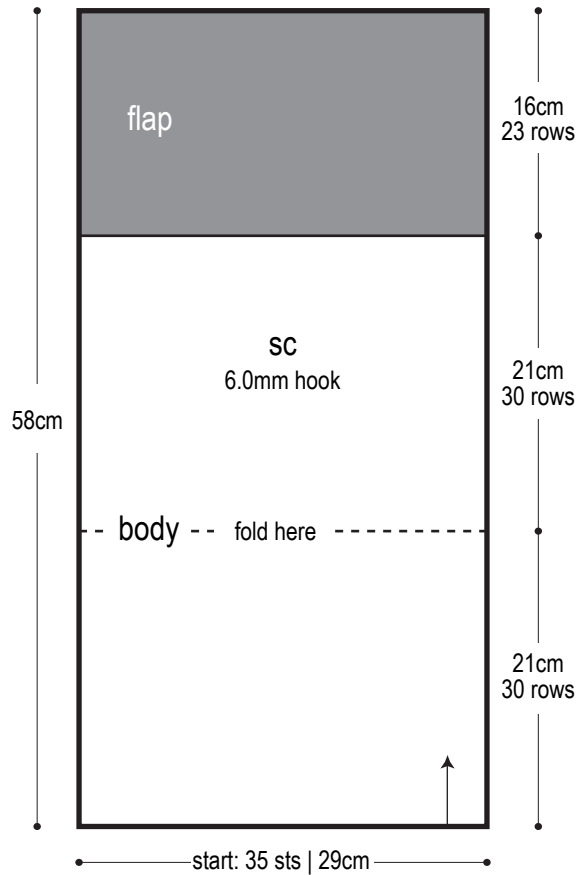

**Body:** Work foundation chain to begin, then work in sc. Change color for flap and continue working in sc.

**Finishing:** Fold body of clutch where indicated. Seam sides by working sc edging around edges.
