Summary

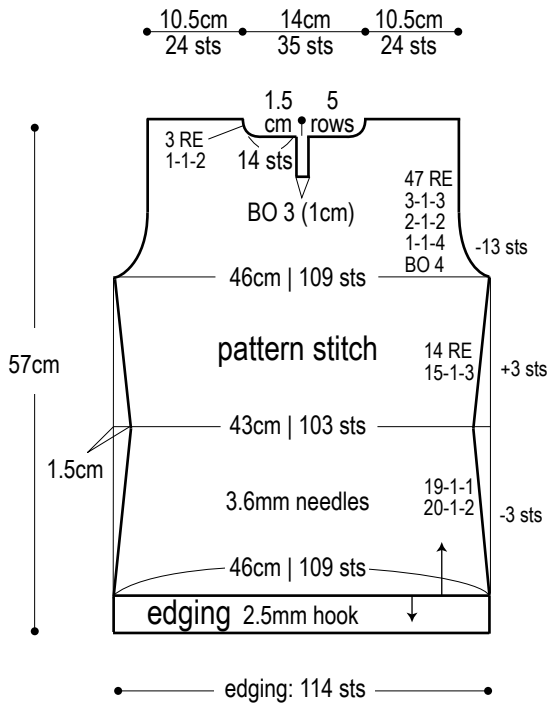

Body & sleeves: Cast on at hem or cuff, respectively, with long-tail cast-on method. Work body or sleeve in pattern stitch. For back neckline, bind off three stitches at center, then begin working right and left sides separately. Shape front and back sides using fully fashioned increases/decreases (1 stitch in from the edge) as indicated in schematics. Shape armholes, sleeve caps, and neckline by binding off stitches as indicated and by working decreases at edges. When finished with shoulders, do not bind off; seam shoulders with three-needle bind-off method.

Finishing: Seam sides and sleeve undersides with mattress stitch. Work crochet edging around hem, cuffs, and neckline, respectively. The collar is worked flat. Work buttonholes in right side of back neckline opening. Seam end of lower placket at back neckline to body; seam left side with whipstitch on wrong side. Seam sleeves to body with crochet slip stitch seam.
