## Summary

**Back, front, and sleeves:** Cast on with long-tail cast-on method. Work in k2p2 ribbing, then continue in reverse stockinette stitch. Shape raglan edges by working fully fashioned decreases at edges (2 sts in from the edge). For front only, work 2 rows in reverse stockinette stitch after ribbing is completed, then begin working short rows on row 3 in order to form curve along hem. Reverse shaping of right sleeve for left sleeve.

**Finishing:** Align body section marked ☆ with sleeve section marked ☆; seam with half backstitch. Continue to raglan edges, seaming together with mattress stitch. Pick up stitches around neckline; work collar in k2p2 ribbing in the round. Bind off with crochet slip stitch using 2.0mm hook. Seam each side of body from hem to cuff using mattress stitch.
