## Summary

✳️**Note:** When working with Funwari, use 1 strand of yarn. When working with Foutaons, use 2 strands of yarn held together.

**Body:** Cast on with crochet cast-on method, then work seed stitch in the round. Work evenly spaced decreases according to schematic and chart. Bind off all stitches. With crochet hook, work edging around hem of poncho.

**Ribbon:** With crochet hook, work foundation chain to begin. Work in dc.

**Finishing:** Seam ribbon to bind-off edge of poncho with whipstitch, leaving 5 sts at front of poncho unseamed and leaving the ribbon ends to hang free. Tie ribbon ends into a bow knot.

## Abbreviations:
