Summary
❋**Note:** Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

Body: Thread beads onto Cotton Lace #40 in advance. With 2 strands held together (1 strand of Casual Cotton and 1 strand of Cotton Lace #40), work foundation chain to begin. Work in sc according to chart and schematic. Wherever a bead is desired, slip bead into stitch.

Finishing: Work 1 row of edging along edges of flap. Make button loop by working a chain and attaching it to flap such that seam doesn't show on right side. Fasten button to body of pouch. Attach straps to body of pouch.
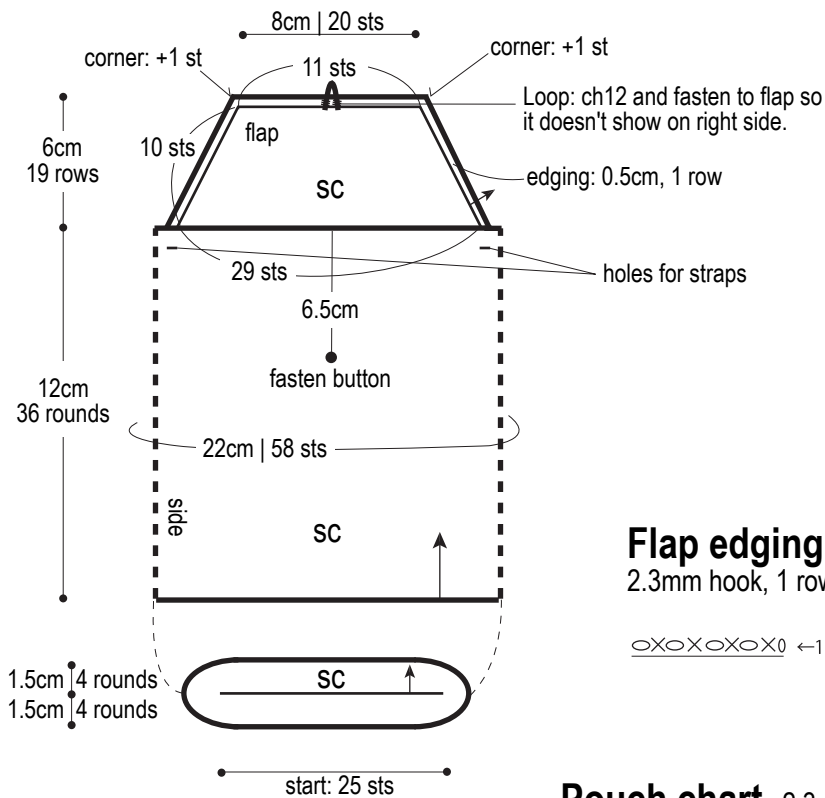

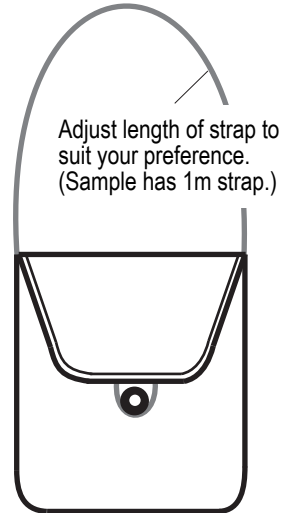

Abbreviations:
ch = chain
sc = single crochet (US)
