Summary

Body: Cast on with crochet provisional cast-on method. Work in stockinette stitch. Beginning from marked area slightly above where armscye shaping begins, work in k2p2 ribbing. Work shaping at edges using decreases and increases worked 1 stitch in from the edge. Shape armscye by binding off stitches as indicated and by working fully fashioned decreases (1 stitch in from the edge). Shape shoulder with short rows, then do not bind off after final row; place shoulder stitches on stitch holder. Bind off neckline stitches from wrong side. Remove provisional cast-on edge from hem; work k2p2 ribbing along hem edge, then bind off with 2x2 tubular bind-off method.

Sleeves: Begin as for body pieces, then work entire sleeve in stockinette stitch. Bind off, then work k2p2 ribbing for cuff in the same manner as hem.

Finishing: Seam shoulders with three-needle bind-off method. Seam sides and sleeve undersides with mattress stitch. Seam sleeves to body with crochet slip stitch seam.
