tricot10-8 Colline Slippers

Suggested yarn:

- Keito-Zakka Stores Colline [75% wool, 25% nylon; 175 yds/160m per 1.41 oz./40g skein];
 medium: color #02 sand beige, 1 skein [20g]
 - large: color #07 Apple Green, 1 skein [20g]
- Pierrot Yarns Chameleon Camera Solid [75% wool, 25% nylon; 459 yds/420m per 3.53 oz./ 100g skein];
 - medium: color #102 magenta, 1 skein [25g]
 - color #105 viridian, 1 skein [25g]

Tools/Notions:

• 3.6mm (approx. US 5) Tunisian crochet hook or size necessary to achieve gauge

Finished measurements:

Please refer to schematics.

Gauge (10cm/4" square):

• Tunisian simple stitch: 22 sts and 16 rows

Gauge may vary according to individual crochet style. Change hook size if necessary to achieve gauge. Alternatively, rework pattern with your own gauge measurements.

Summary

*Note: Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

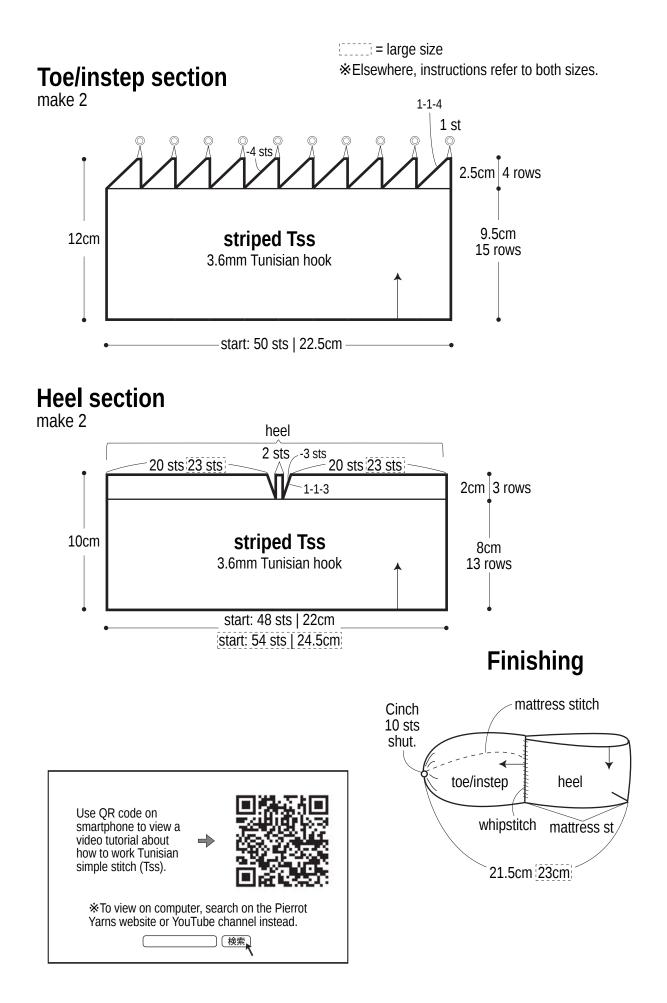

Instep & toe section: Work foundation chain to begin, then work in striped Tss. After working 15 rows, work decreases according to chart. When finished, cut yarn and thread yarn through all remaining stitches; cinch toe shut. Seam both edges together with mattress stitch.

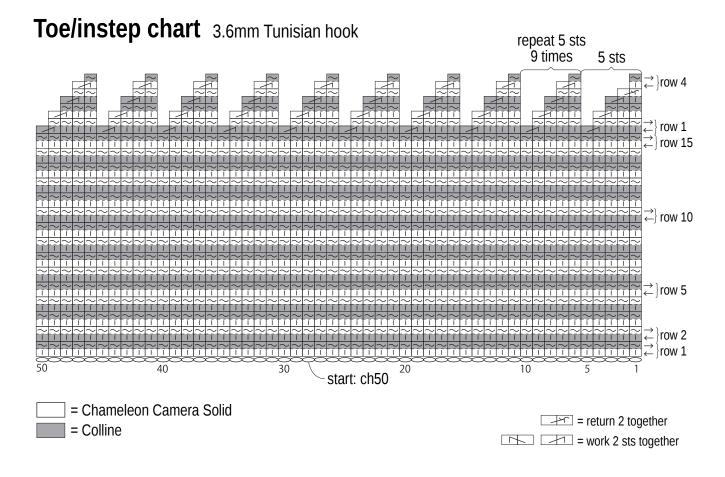

Heel/Back of slipper: Work foundation chain to begin, then work in striped Tss. After working 13 rows, work decreases at center as shown in chart. When finished, fold this piece in half; seam stitches of cast-off edge together to form the sole.

Finishing: Referring to finishing schematic, whipstitch instep/toe piece. Seam instep/toe piece to heel/back piece with mattress stitch.

Abbreviations:

ch = chain Tss = Tunisian simple stitch #-#-# = rows-stitches-times (For example,1-2-3 means "every 1 row, decrease 2 stitches; do this 3 times total.")
