### Summary

\*Note: Like all Japanese patterns, stitch counts given here for foundation chains do not include any chain sts needed for turning posts.

**Body:** Work foundation chain to begin, then work in pattern stitch A. When upper section is finished, begin lower section (peplum) by working into bottom loops of foundation chain; continue in pattern stitch B.

**Finishing:** Seam shoulders with chain seam (alternating chain st and slip st as needed to maintain pattern). Working into stitches around armhole, begin working sleeve in pattern stitch B'. Seam sleeves to body and side to side using chain seam. Work eding in the round around neckline.

#### Abbreviations:
